Más Amor Verdejo, 2022

Manzanares, Vino Varietal

After many years looking for an organic certified verdejo where we could finally move our production to finally convert all our wine range into organic, We have finally found in the village of Manzanares South of Madrid, a high altitude vineyard mounted at 650m ; along the riverbed of the Guadiana river on limestone soil providing ideal natural conditions to grow healthy vines. It is a beautiful landscape covered by holly oaks and vineyard perfumed by the ubiquitous lavender, thyme and rosemary. The resulting wines are scented and clean. Organic agriculture is the sustainable way to grow vineyard and craft wine.

Origin

Village: Manzanares. Vines are located between entre 580 y 650 meters.

Grape Variety

85% Verdejo and 15% Sauvignon Blanc.

Age of the vines

Between 12 and 22 years old planted on clay and sandy soil.

Technical data

Alcohol content: 12% ; Acidity: 5,26 g/l ; PH: 3,29 ; Harvest: Mechanical.

Care undertake on the vineyard and vinification

Grapes are machine harvested at night to take advantage of both the temperature drop and the absence of the sun to avoid oxidation and preserve the freshness and flavours of the grape variety.

At the cellar the grapes undergo cold maceration. After racking, alcoholic fermentation takes place in stainless steel tanks at controlled temperature. The wine is then stabilized and undertakes microfiltration of 0.80 micron just before bottling.

Ageing

The wine remains in contact with its lees in stainless steel tanks for 3 months.

Tasting Note

2022 was a good vintage which reflects in this wine a flamboyant aromatic profile. Great contrasts of temperatures between day and night, which helped to maintain the quality of the grape. Displaying attractive tropical fruit aromas with hints of lime and aromatic herbs, 2022 vintage exhibits a floral perfume nose reminiscent of citrus fruits, jasmine flower, fennel and bay leaves. It is crisp, light and refreshing.
