MÁS AMOR, 2022

MasRoig, DO Catalunya

Más Amor or More Love echoes the livelihood of Barcelona. Just 2 words, but the 2 most powerful in the world “Más Amor” meaning More Love. This name expresses the positive vibes behind our daily work. We crafted this wine with love and with freshly hand-picked grapes from high altitude vineyards, that catch the cool breeze of the mountains.

We don't shout about it, but every year Más Amor supports a local charity to thank those people who share their positive energy with others.

Más Amor 2022 has a marked citric aroma on the nose, lime and orange and little strawberries notes. Very light, fresh, easy-drinking on the palate, reminiscent of grapefruit and a hint of peppermint. The perfect partner for salads and fish.
